## **Medical SCG Code Descriptors**

The Medical SCG code descriptors for SCGs 01 through 07 have been updated on 8/22/05 to reflect code additions/deletions. Please note that these code descriptor tables are reference tools and **DO NOT** take the place of the Medical SCGs that list the codes without descriptors (identified under SCG Code Lists Links) on the CMS web page:

<http://www.dhs.ca.gov/PCFH/cms/ccs/cmsnet/scg.htm>

The SCG Code Lists Links, Medical SCGs, contain the most current list of codes in the individual SCGs.

When the Medical SCG code descriptors are updated in the future, you will be notified by "This Computes!"
